One Application Lasts All Winter!

DEERPRO — Deer HATE it...You'll LOVE it!

This winter, deer will cause millions of dollars in landscape damage... *damage that can be prevented.*

- **DeerPro** is the longest lasting deer repellent on the market.
- **DeerPro** does not need to be reapplied in the snow and ice of winter, unlike other deer sprays that last only a few weeks.
- **DeerPro** provides six months of protection from deer. One spray as early as October will still be protecting shrubs into early spring.
- We are happy to answer any questions you may have, call today!

"From the 80s into the 90s the deer problem just kept getting worse. I tried every product out there, but my plants were still being butchered every winter. And my neighbors seemed to be getting off scott free! Turns out they used DeerPro. So I gave it a shot. 12 years later, I couldn't be happier with DeerPro."
